MEET C-3PO, HUMAN-CYBORG RELATIONS

Sometimes we have to pinch ourselves to believe how lucky we are to celebrate the LEGO® Star Wars™ 25th anniversary. And, as one of the first characters we ever met in the *Star Wars* saga, C-3PO deserves a proper anniversary tribute. Whether he's panicking in a firefight or prattling on about the odds of successfully navigating an asteroid field (to Han Solo's eternal chagrin), we can always count on C-3PO to lighten the mood with a healthy portion of fussiness, endearing melancholy and humorous despair. In a galaxy filled with dashing rogues, formidable Jedi and imposing Sith Lords, C-3PO shines with impeccable comedic timing and memorable lines, reminding us that even in the darkest of times, a protocol droid with a penchant for overthinking can bring a smile to our faces.

NEVER AS DOOMED AS HE MIGHT THINK

With his shiny exterior and fluency in etiquette and six million forms of communication, C-3PO, given the choice, would prefer to indulge in the gentler comforts of life and not go gallivanting across the galaxy, getting mixed up with Rebel scoundrels or Imperial forces. But his unwavering devotion to his human friends and his savvy astromech companion, R2-D2, constantly brings him further and further out of his comfort zone, often leaving him utterly discouraged and certain of their collective, impending doom. Programmed by young Anakin Skywalker to serve as a diplomatic translator, he eventually plays a vital part in the Resistance's intelligence service. He thrives when he can untangle bizarre misunderstandings (occasionally self-induced), serve as a deity to secure the Ewoks' alliance, or translate the rudest of Huttese insults.

Together, the exasperated protocol droid and his more optimistic, mischievous friend ("that malfunctioning little twerp") entertain us with some of the most heated, affectionate banter throughout the saga.

**"How did we get into this mess?"
– C-3PO**

"WHAT A DESOLATE PLACE THIS IS."

Standing poignantly on the sand dunes of Tatooine, C-3PO can be posed with his arms at his sides, waving, or with both arms in the air to convey despair at yet another disastrous situation. Or, if you reposition an arm at the elbow, he can even gently pat the LEGO® *Star Wars*™ R2-D2™ (75379) on the head. If you have both sets, this debonair duo will look great together on your shelf or desktop.

- New quarter domes and a 1x2 bow/curved slope element were developed to give C-3PO his characteristic head shape.
- The printed mouth and nose piece was first used as a shield element for LEGO® NEXO KNIGHTS™. This, the printed circular torso element and the printed chest element are unique to this set.
- The belly element where C-3PO's internal wiring is seen is a repurposed LEGO car bonnet element.
- Throughout the *Star Wars* saga, C-3PO is refurbished with miscellaneous new or used parts. Inspired by his look when we first met him in *A New Hope*, he sports his characteristic silver right leg.
- 34 LEGO elements were recoloured gold for this model, many of which had never existed in gold before. In total, the set includes 475 gold-coloured bricks – a record for a LEGO *Star Wars* set, as of 2024.
- LEGO ski pole elements were used as details on his legs.

MEET THE MODEL DESIGNER

"The first thing we started working on was C-3PO's head and face. Even without being able to change his facial expression, his face says so much about his character. We always strive to use existing LEGO® elements when we design new models. Still, after about ten iterations, we decided to develop two new elements to get the characteristic head shape just right. For his body, we focused on recreating his organic shapes in broad shape expressions for an instantly recognisable silhouette, with his chest and head held high, arms to the side, vigilant, alert and attentive. And you can pose his head and arms to mimic so many of our favourite C-3PO scenes. Together, all these subtle little details really make this lovable droid come to life."
